VOR7 BUSINESS

Managing Fleet

Current Practices in Modern Fleet Management

Managing a fleet today involves challenges such as disconnected tools, limited vehicle visibility, and outdated communication methods.

These inefficiencies can increase operational costs, compliance risks, and issues with driver management.

VOR7 BUSINESS

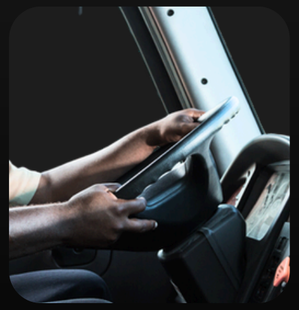

Our Solution,

VOR7 Business

Streamlining Fleet Management

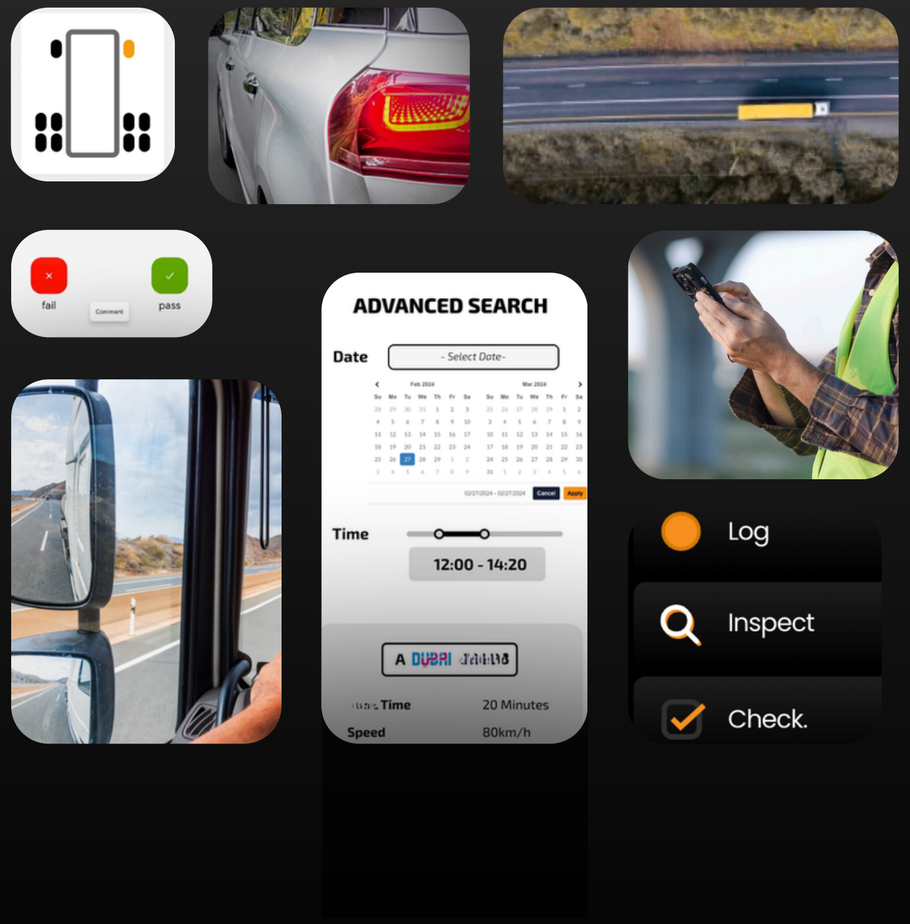

VOR7 Business offers a comprehensive solution to fleet management woes.

By centralizing employee coordination and administrative tasks into one platform, it provides real-time insights and control, enhancing efficiency and reducing costs.

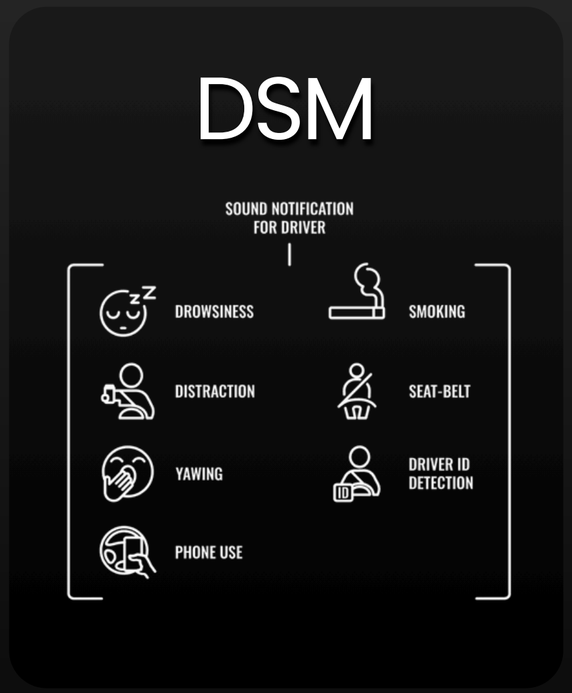

VOR7 Business

VOR7 BUSINESS

Add On Feature:

Operational Module

Empowering Your Workforce

VOR7 simplifies workforce management by providing tools for scheduling, performance monitoring, and communication. Drivers receive clear instructions, while managers can track progress and address issues promptly.

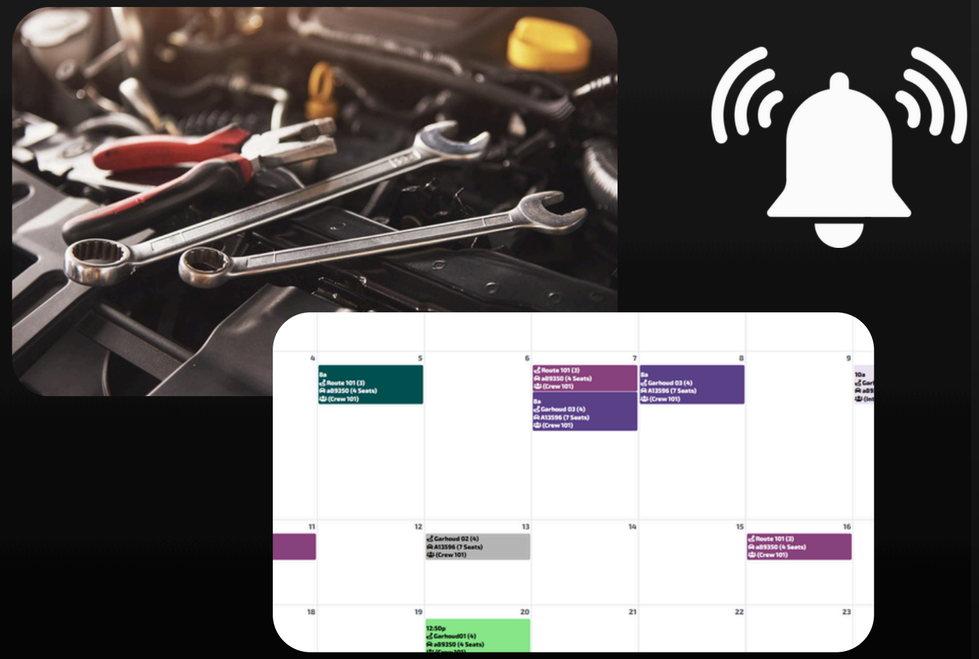

VOR7 Business

Role-Based Access & Admin Control

Secure and Customized Access

VOR7 ensures data security through role-based access controls. Administrators can define permissions, ensuring users access only the information relevant to their roles, thereby maintaining operational integrity.

VOR7 BUSINESS

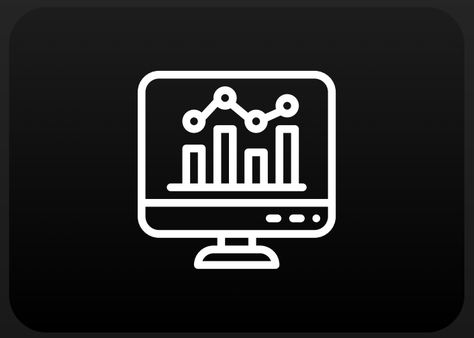

VOR7 Business

Maintenance / Inspection Alerts

Preventative maintenance is key to fleet longevity. VOR7 allows you to schedule regular check-ups and receive alerts for upcoming services, minimizing downtime and extending vehicle life.

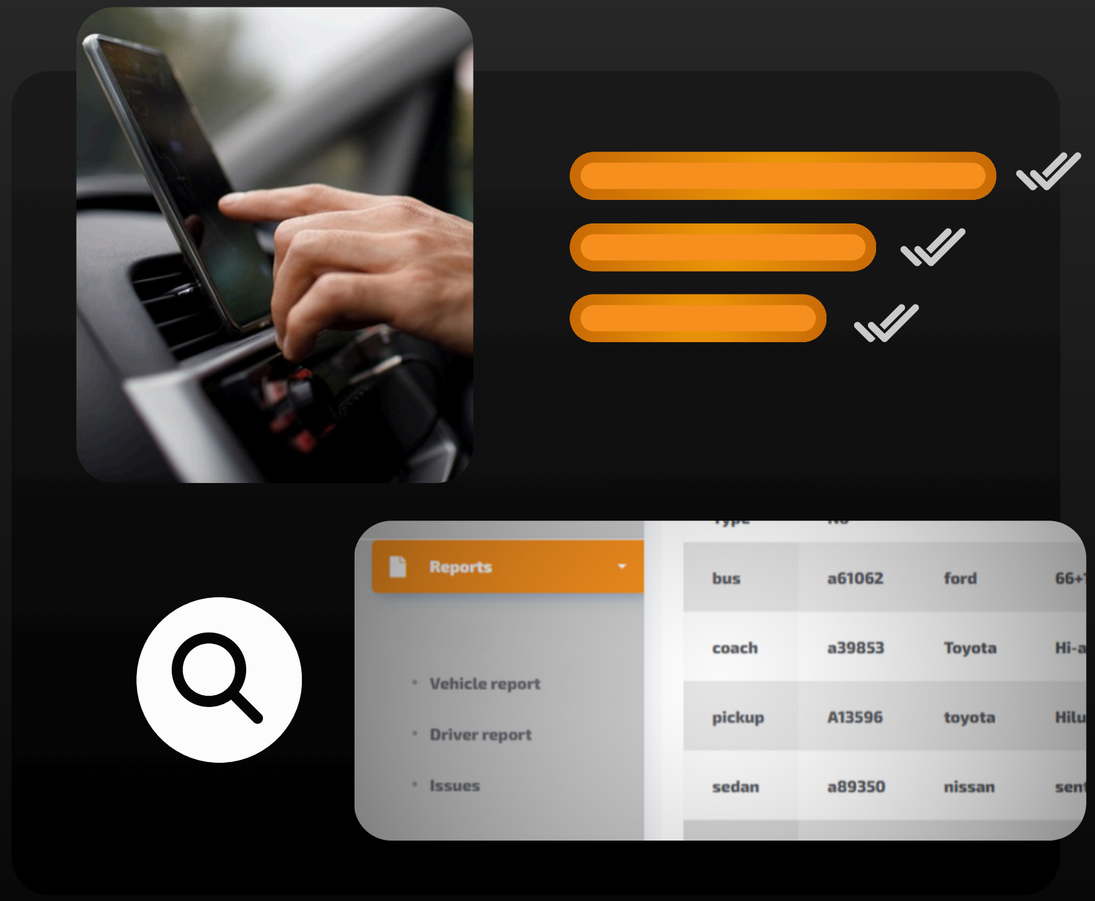

VOR7 Business

Fuel & Cost Analytics

Optimize Fuel Usage and Expenses

VOR7’s analytics tools provide insights into fuel consumption patterns and costs. By identifying inefficiencies, you can implement strategies to reduce expenses and improve overall fleet performance.

VOR7 BUSINESS

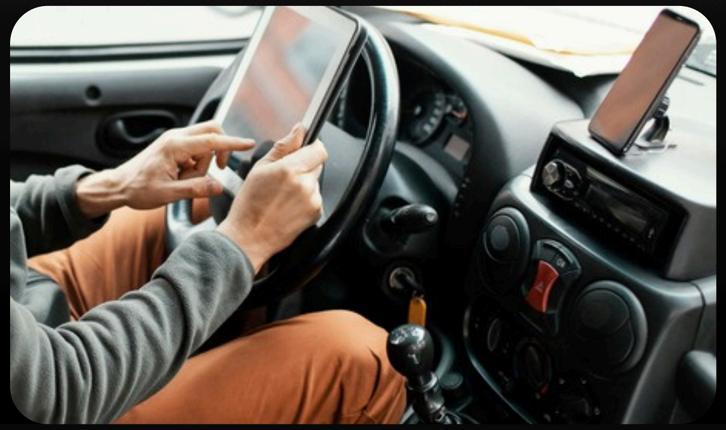

VOR7 Business

Compliance & Reporting

Comprehensive Reporting for Compliance

Stay compliant with industry regulations using VOR7's reporting features. Generate detailed reports on driver hours, vehicle inspections, and more, ensuring transparency and accountability.

VOR7 Business
